To Whom It May Concern:

**EXCLUSIVE AGENT CERTIFICATE**

This is to certify that Ag Solve Mon. Ambiental Ltda. is the Exclusive Agent for Solinst Canada Ltd, in Brasil. They are responsible for sales, marketing and support of all products manufactured by Solinst.

Ag Solve Mon. Ambiental Ltda. has received training in the use of Solinst products. In addition, Solinst will support Ag Solve in all technical aspects and service of Solinst products in order to fulfill first class service support for Ag Solve clients. Further, Solinst stands behind Ag Solve in all after sales matters, including warranties and service requirements as covered by the Solinst warranty policies.

As the exclusive representative of Solinst, Ag Solve is authorized to solicit sales of Solinst products and to respond to all bid enquiries for our equipment in Brasil. In order to satisfy the needs of Ag Solve's customers we have provided them with suitable credit arrangements to meet sales of Solinst products.

We are proud to work with Ag Solve and assure you of their professional qualifications to service all your Solinst equipment needs.

Yours sincerely,  
SOLINST CANADA LTD.,

Sarah Belshaw,  
President
